

Internship Letter

Dear **Fatema Nuruddin Laheriwala**,

We sincerely thank you for your contributions during your internship at EVERSANA India Pvt. Ltd. from September 26, 2024 to June 16, 2025.

Your ability to convert business needs into actionable JIRA user stories, coordinate across React/.NET developers, QA teams, and stakeholders, and support Agile delivery was impressive. You played a key role in maintaining sprint velocity through insightful Excel dashboards and contributed to API integration testing, SQL-based data work, and component validation.

Your documentation of product workflows and intern onboarding efforts also stood out, helping improve cross-team collaboration and delivery efficiency.

We hope this experience gave you valuable exposure to real-world software development. We wish you continued success in all your future endeavors.

Warm regards,

EVERSANA India Pvt. Ltd.

Amlan Basu
Senior Director – Human Resources
