

## **Internship Letter**

Dear **Fatema Nuruddin Laheriwala**,

We sincerely thank you for your contributions during your internship at EVERSANA India Pvt. Ltd. from September 26, 2024 to June 16, 2025.

Your analytical capabilities, especially in extracting and cleaning large datasets from SQL databases and third-party platforms, significantly supported our understanding of student behavior and platform performance. Through your Power BI dashboards, you offered clear insights into key metrics such as user engagement, course completion, and content consumption trends.

We especially appreciate your collaboration with product managers, mentors, and engineers in translating complex business questions into actionable insights. Your ability to communicate findings and support data-driven decisions made a lasting impact across teams.

We hope this internship gave you meaningful exposure to real-world data science and product analytics. We wish you every success in your future endeavors.

**Amlan Basu**  
**Senior Director – Human Resources**

Warm regards,

EVERSANA India Pvt. Ltd.
